

School Transport – daily bus service

The service uses school minibuses driven by trained drivers who are school employees and their licences are monitored by a Government approved portal called DAVIS. Our vehicles operate on a Section 19 Permit, issued by the Community Transport Association of which Rydal Penrhos Ltd is a member. The buses are inspected during every school holiday period and certified safe for use. All bus routes are managed by Rydal Penrhos School, and should you have any queries regarding the bus routes, pick up locations or times, please contact the **Transport Manager, Mr. Phil Hilton** during usual office hours.

Parents are asked to commit to a term's travel, providing one term's notice of withdrawal from the scheme, and are asked to commit to full weeks of travel, rather than random days. Minimum usage of the service is five trips per week, anything over this will be charged as a full day rate. Due to the timings and possible traffic congestion in the mornings, we request that parents arrive at the pick-up points in plenty of time. **Drivers will not be able to wait at the pick-up points beyond the time stated.**

Parents are asked to appreciate that the services will be run subject to reasonable demand and that, with due notice, changes may be made. Places will be allocated on a first-come, first served basis. Subject to availability, should a pupil like a friend to accompany them on the bus, the parent must submit a written request via Schools Buddy at **least 24 hours** prior to travel, and a charge will be applicable.

There can be no refund for any days when a pupil does not use the minibus, for whatever reason. For the start of term, new parents to the service are asked to complete the booking form and send to the **Transport Manager**. The charge will then be added to their Schools Buddy account a term in advance.

If you live outside of the current routes or you have an alternative pick up point that you may wish to be considered please contact the **Transport Manager, Mr Phil Hilton** on **07793 800419** philtonr@rydalpenrhos.com.

To assist with the School's Safeguarding Policy, parents must use the Schools Buddy platform to notify the Transport Manager if a pupil will not be travelling on the bus on any pre-booked day. This includes absences from school due to illness, school trips, activities, sporting events and after school clubs, and also if they are travelling to/from school by an alternative method on a particular day. This enables the School and the Transport Manager can account for the whereabouts of all pupils due to travel on the buses, thereby ensuring that the buses leave on time.

Normal school rules apply while pupils wait to board the buses and also during transportation in the minibuses; the School reserves the right to ban/suspend a pupil from using the service should, in the opinion of the Executive Principal their behaviour on the bus warrant such action.
