Mr Andy Reid MBE

Guest Speaker

Andy was selected for an MBE on the strength of his services to the veteran community as well as his extensive work helping the disabled in St. Helens.

In 2009 Corporal Reid lost both legs and his right arm when injured by a Taliban IED whilst on patrol with the 3rd Battalion, The Yorkshire Regiment in Afghanistan. Rather than let his injuries take over his life, he turned his attention to his recovery.

In 2010 he became a volunteer ambassador and fundraiser for ABF The Soldiers' Charity (the national charity of the British Army) and has committed his life to both raising awareness and fundraising for amputees, both civilian and military.

Andy has raised more than £100,000 to date for the charity and has participated in the 100km Front Line Walk in France, riding a specially adapted bike. And in 2017 he undertook the Warrior Challenge around the UK, cycling 400 miles and kayaking 128 miles in 14 days, raising £52,000.

Describing himself as “a survivor, not a victim”, Andy’s attitude has seen him become a motivational speaker and he now works closely with Morson to empower its workforce and strengthen the work it does in bridging the gap between the armed forces and civilian life.
