BLOCK Y

Design Technology
History
Music

BLOCK Z

Computer Science
Physical Education
Religious Studies
Spanish

All pupils will follow the core courses of: English Language; Mathematics; Science; Religion & Life; PSHE; and Games. Additionally, all pupils should choose four option subjects. The table below shows the provisional allocation of subjects to blocks.

If there is a combination that you desire which does not fit here, please contact Mrs Williams (Assistant Principal – Director of Studies). There may have to be changes when we see the pattern of pupils' choices. Additionally, if a particular course is under-subscribed, we may unfortunately be unable to offer that subject.
